SUBJECT: Briefing on Terrorist Activity for Representative STAT
George Brown

STAT

1. HPSCI Member George Brown called this morning and requested "a quick briefing giving unclassified examples of the President's reference last night to 126 aborted terrorist attacks". After touching base with the DDI, Charlie Allen, [] and [] were taken downtown to brief Mr. Brown. He was also given a copy of the "White Paper". Mr. Brown opened the meeting by saying that he was going on Cable News Network and wished to talk about unclassified matters. The briefers gave Mr. Brown some advice on what he could and could not say, making it clear that he should not use any actual examples; he appeared to accept the advice.

2. We also have a request from SSCI staff for a classified briefing supporting the President's statements and backing up the White Paper, which we will attempt to arrange for tomorrow.
